The petitioner who was a Stipendiary Med. Pupil passed the final Hospl. Asst's exam.n in 1905. In the usual course she should have been entertained as a Passed Med. Pupil on Rs 16 per mensem. But on the Special recommendation of the Senior Surgeon (vide his letter no: 56 dd 28.7.05) she was appointed to the grade of Hospital Asst., 3d class - as a Supernumerary. Vide G.O. no: 8285-6 Med 107-05-4 dd 10.2.06 By such Special treatment the petr. was classed as Hospl. Asst., 3d class, from the date she reported herself for duty after passing the final exam.n. This, however, gave her only an additional sum of Rs 9 per mensem as pay but gave her no advantage in the matter of promotion to the next higher or the 2d class of Hospl. Asst.s inasmuch as her service for promotion to the 2d class was ordered to take effect from the date of her absorption in the permanent strength of Sub Asst Surgeons i.e 1st November '07 by which date all Passed Med. Pupils Senior to Balasundaramma had been promoted to the grade of Hospl. Asst.s

5) It will be seen from the above notes that the petr was treated rather liberally when she was first entertained and that the [redacted] revision of the Scale of Sub Asst Surgeons accelerated her promotion to Rs 40 by two years.

6) Her prayers contained in the petition now are :—

(i) To count the period between the date of her 1st entertainment & date of her Confirmation as Hospl Asst (x) (ie the period between 27. 8. 05 and 1. 11. 07) for promotion to the next higher class (2d class) of Hospl Assts (old Scale) and for pension.

This would have been possible if Balasundaramma had been appointed against a vacancy in the grade of Hospl Assts on the permanent Strength and her promotion ordered to take effect from the date of her 1st entertainment ie 27. 8. 05. But her Service was ordered to Count for promotion from 1. 11. 07 — the date of her Confirmation. The question as to whether the period of her Service as

(x) This date is not entered as the date of Commencement of her Service but 1. 11. 07 is entered as the date in the half-yearly Gradation list of Asst Subordinates.

(1) Petitioner was a Mysore Govt. Stipendiary student in the Madras Medical College.

(2) When she passed out of the College, according to the rules then in force she should have been entertained only as a passed medical pupil on Rs 16 p.m but on the special recommendation of the then Senior Surgeon, she was started as a Supernumerary 3d class Hospital Asstt on Rs 25 p/m from 27.8.'05

(3). She was absorbed in the regular Cadres, on 1.11.'07, after all her Seniors were provided for. Her Service Counts only from this date 1.11.'07.

(4) She would have risen to the next or 2d class of Hospital Asstt: on Rs 40 p.m on 1.11.14 after Seven years Service, but as

(5) The pay and prospects of Lady Sub-Assistant Surgeons were improved by G.O. 7980-1 Med 75-12-8 dated 12.4.15, according to which Lady Sub Asstt. Surgeons are now placed in 3 Classes, 1st on Rs. 60, 2d on Rs 50 & 3d on Rs 40 with effect from 1st July 1915 promotion from one class to another being given after 5 years approved Service in the lower Class & passing the necessary examinations.

According to this order the petitioner is now a 3d Class Lady Sub Asstt Surgeon on Rs 40 p.m.

17) Hitherto She now makes 2 requests:

(i) That her Service between 27.8.05 the date of her entry into Service & 21.11.07 the date on which She was finally absorbed in the regular Cadre may be ordered to count towards (a) promotion (b) pension

18) Regarding these requests the Senior Surgeon is of the opinion that (ii) is untenable, (i) b is a matter for Consideration at the time of her retirement & i (a) also does not deserve Consideration, inasmuch as none of her juniors have superseded her, & She Can therefore have no ground for Complaint.

23) It seems to me that the period of 3 years and odd from 27th August 1905 to 1st November 1907 during which Balasundaramma was treated as supernumerary - may be taken into account in calculating the period for promotion and she may be promoted to the second class of Sub Assistant Surgeons with effect from 1st September 1915, as a special case. She will by - this concession supersede some of the men Sub Assistant Surgeons now above her. But this may be considered as permissible having due regard to her sex which is usually entitled to special consideration and the difficulty that generally exists in securing the services of women as Sub Assistant Surgeons on the small pay we give. The paucity of women with Sub Assistant Surgeon qualifications and the difficulty of obtaining them have necessitated Government to order that they be started as Sub Assistant Surgeons, 3rd class, on Rs.40/- per mensem. These - reasons which have influenced the Government to - sanction for them a better start than that given to men Sub Assistant Surgeons must have existed to a larger extent when Balasundaramma was entertained more than ten years back. I believe there is no other Lady Sub Assistant Surgeon having similar - - claims and so there is not likely to be any other - application of the same kind coming up before Government. Respected Sir,

I beg to bring to your honour's kind consideration and favourable orders the following :-

(1) I was a Mysore Government stipendary student in the Medical College at Madras and when I qualified from the ~~XXXX~~ College I was entertained as a 3rd. class Hospital Assistant in the Mysore Medical Service from 27-8-05 as per Government Proceedings No. 1751-2 / Medl.(41-05)-2 Dated 19-8-05.

(2) But under Government Proceedings No. 8385-6 / Medl.132-07-4 Dated 21-2-08 I was made permanent with effect from 1-11-07 and not from 27-8-05 the date of my first entertainment in the service. Consquently I lost a service of two years and three months which had to count towards my promotions and pension.

(3) By cutting short my service by two years the dates of my pro-motions have been pushed ~~fixxx~~ forwards and therefore I have lost much financially these ~~two~~ years.

Under the circumstances represented above I beg to request your honour to kindly consider my case and be pleased to add the services lost to count towards my promotions and pension.

(4) Government in their recent orders No. 7980-1 / Medl.75-12-8 Dated 12 4/15 have been pleased to revise the scale of pay of Lady Sub - Assistant Surgeons who may be entertained from 1-7-15. In consideration of my long service and of my being the only Lady Sub Assistant Surgeon to enter the Mysore Medical Service so long as 1905. I beg to request your honour to be pleased to

to extend the benefits of the above revised scale to me also for which I have strong and just claims.

(5) I need not bring to your kind notice that most of my Colleg-mates are in a better position in the British territories where they are paid ₹ 100/- and above per mensum, with free quarters &c.

(6) In conclusion, I most humbly pray that your honour may be pleased to consider my hard case and kindly pass orders to draw my pay as 2nd. class Lady Sub Assistant Surgeon from July /15 taking 1-11-12 as the date of my last promotion.

For which act of kindness I shall ever feel grateful.

I beg to remain,

Respected Sir,

Your most obedient and humble servant

M. Balasubramanyam
